Hai molto bisogno che gli altri ti apprezzino e ti stimino eppure hai una tendenza ad essere critico nei confronti di te stesso. Pur avendo alcune debolezze nel carattere, sei generalmente in grado di porvi rimedio. Hai molte capacità inutilizzate che non hai volto a tuo vantaggio. Disciplinato e controllato all'esterno, tendi ad essere preoccupato ed insicuro dentro di te. A volte dubiti seriamente di aver preso la giusta decisione o di aver fatto la cosa giusta. Preferisci una certa dose di cambiamento e varietà e ti senti insoddisfatto se obbligato a restrizioni e limitazioni. Ti vant di essere indipendente nelle tue idee e di non accettare le opinioni degli altri senza una prova che ti soddisfi. Ma hai scoperto che è imprudente essere troppo sinceri nel rivelarsi agli altri. A volte sei estroverso, affabile, socievole, mentre altre volte sei introverso, diffidente e riservato. Alcune delle tue aspirazioni tendono ad essere davvero irrealistiche.
